REISSUE APPLICATION DECLARATION BY THE INVENTOR

RECEIVED

OCT 22 2008

Technology Center 2100

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,806,063, granted September 8, 1998, and for which a

reissue patent is sought on the invention entitled DATE FORMATTING AND SORTING FOR DATES

SPANNING THE TURN OF THE CENTURY

the specification of which

☐ is attached hereto.

☒ was filed on December 21, 1999 as reissue application number 09 / 512,592
and was amended on 2/18/2002, 1/5/2002

(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

Claim 1 recites "according to a format wherein M1M2 is the numerical month designator, D1D2 is the numerical data designator"

The invention is broader than this recitation and can include, e.g., a month and date designator other than as recited, e.g., in Julian format, so long as there is, e.g., a year designator such as Y1Y2. Claim 10 also is inconsistent with the disclosure of the Specification.

[Page 1 of 2]

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

(REISSUE APPLICATION DECLARATION BY THE INVENTOR, page 2)

Docket Number (Optional)

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant. As a named inventor, I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the United States Patent and Trademark Office connected therewith.
